DETAILED ACTION

Examiner's Amendment

[01] An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

[02] Authorization for this examiner's amendment was given in a correspondence with Thomas Spinelli on 5/14/08.

[03] The application has been amended as follows:

[03a] In claim 1, first paragraph:

an endoscopic system provided in an operating room and usable with an anesthesia-apparatus related system connected to a ~~predetermined communication circuit~~ communication portion, said anesthesia-apparatus related system including an anesthesia administering apparatus for administering anesthesia to a patient;

[03b] In claim 3:

[03c] In claim 9, the dependency in the preamble:

Reasons for Allowance

[04] The following is an examiner's statement of reasons for allowance.

- [05] With regard to Shibata (2004/0044269): As noted in the Advisory Action of 5/23/2007, Shibata does not disclose an anesthesia administering apparatus, as required by the independent claims. Additionally, Shibata is commonly assigned to Olympus, and therefore inapplicable under 35 USC 103 given its publication date.
- [06] With regard to Simmons (5,701,904): Simmons does not disclose a display screen having a user transfer selection interface; a user recording selection interface; or a user checking interface as defined by the independent claims. The "combined anesthesia-endoscopic image information" recited in the independent claims is disclosed by Simmons; however, the particular manner of associating the two, via three "interfaces", is not disclosed in Simmons.
- [07] Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
